The House and Senate Conference Committee appointed pursuant to motions to resolve the differences between the two houses on House Bill No. 219 (Senate Bill No. 1788) has met and recommends that the following amendments be deleted: Senate Amendment 1 and House Amendment 1.

The Committee further recommends that the following amendment be adopted:

By deleting all language after the enacting clause and substituting the following:

SECTION 1. Tennessee Code Annotated, Section 3-15-508, is amended by deleting subsection (d) in its entirety and by substituting instead the following:

(d) Before the bureau of TennCare may submit a request for an amendment to the waiver or a renewal of the waiver for the TennCare program to the United States department of health and human services, the bureau shall:

(1) Transmit such proposed amendment to the committee for comment at least thirty (30) days prior to submission of the waiver to the department of health and human services; and

(2) Notify each member of the general assembly of such proposed amendment or renewal via electronic mail or other type of electronic communication.

SECTION 2. Tennessee Code Annotated, Section 3-15-508, is further amended by adding the following as a new subsection thereto:

(e) No such amendment or renewal request subject to the provisions of subsection (d) may be submitted or take effect unless the committee has been afforded the opportunity to comment. Since such amendment or renewal requests are legally enforceable when they take effect, the committee shall review such amendments or renewal requests in the same manner as proposed legislation, subject to the thirty-day period required by subsection (d).
